Kalispell, Montana

- Semitool refurbishment
- New upgrades (Solaris PLC)
- New equipment design & development

Worldwide Partners

Affiliate offices for sales and support in U.S., Europe, and Asia

THE PERFORMANCE OF NEW AT A FRACTION OF THE COST

ClassOne Equipment is a recognized leader in the business of equipment refurbishment with over 2,500 tools installed world-wide in four key markets: KLA-Tencor Wafer Inspection and Metrology, Semitool Wet Chemical Processing, Plasma Etching and PECVD from SPTS, Plasmatherm and Oxford, and Mask Aligners from Suss and EVG.

Known for superior quality 75mm to 300mm equipment, customer-first service, and its 30-day unconditional return policy, the ClassOne team has been winning and serving customers in the traditional semiconductor and emerging technology sectors for over 10 years. At its headquarters in Atlanta, Georgia, ClassOne carries an extensive inventory of reconditioned equipment from top manufacturers at a fraction of the price of new tools. Price, Quality, Reliability, Service. ClassOne Equipment.

OUR PRODUCT LINE

KLA-TENCOR Wafer Inspection & Metrology Equipment

- Unpatterned Wafer: Surfscan 6xxx, SP1, SP2
- Patterned Darkfield: AIT I, II, XP+, UV, XUV
- Patterned Brightfield: 2135, 2138, 2139, 23xx
- Profilers: P-10, P-11, P-22, HRP-220, HRP-240
- Film Measurement: UV1080, UV1280, F5x, SFX 100/200
- Overlay Registration: 5200XP, Archer
- Stress Measurement: FLX-2320, 5400, 5500

SEMITOOL Wet Process Equipment

- Spray Solvent Tool (SST)
- Spray Acid Tool (SAT)
- Spin Rinse Dryer (SRD)
- Sceptor
- Equinox
- LT210/Paragon Electroplating Tools
- Raider Electroplating Tools
- Lift-Rotate Repair & Refurbishment for Equinox, LT210/Paragon/Raider
- Robot Repair & Refurbishment for LT210/Paragon, Raider

PLASMA ETCHERS & PECVD

SPTS, PLASMATHERM, & OXFORD Plasma Etchers

- SPTS Multiplex, MPX, Pegasus
- Oxford Plasmalab 80, 100, 133
- Plasmatherm 790, SLR-720, SLR-730, SLR-770

MASK ALIGNERS & BONDERS

SUSS & EVG Mask Aligners & Bonders

- Suss MJB3, MA6, MA8
- Suss MA150, MA200
- EVG 620, 6200
- EVG 501, 520, 520IS, Gemini Bonders

SPARE PARTS SUPPORT

- Over 5000 parts in stock!
- Field Service Support
- Service Contracts
- Save up to 50% on parts!
